June's fees were an additional £2 per child to pay annual fees.

The King and I

Good luck to all our members who are performing with Tredegar Operatic Society's production of The King and I.

Knock 'em dead and do us proud!

We need volunteers to help in the changing rooms for the June show. If you are available for one night and its corresponding dress rehearsal please see Donna to put your name on the list.

Also, if you have a raffle prize to donate please see Ellen.

RULES FOR DRESS REHEARSALS AND SHOW

- For health and safety reasons all performers MUST attend their dress rehearsal. If you fail to do so you will not be allowed to take part in the show. (Please see Diane if you have any difficulties with this)
- Parents drop children off and pick them up at the stage door. For child protection, unless they are helping backstage (please see over), parents will not be allowed in through the stage door.
- All children to wear Kidz-R-Us t-shirts to dress rehearsal and the show, it makes finding clothes much easier! Please label their other clothes with their name and give them a plastic bag to put them into.
- Costumes are expensive, please ensure your child's drinks are clear and any snacks they have with them are not messy or sticky.
- Unfortunately, items such as jewellery, mobile phones and electronic games have a habit of getting lost. We cannot possibly ensure the safety of such items so please leave them at home!
